

50 Parishes Note Gains For Missions

For the first fifty parishes of the 157 parishes in the Diocese of Rochester to report for 1967 Mission Sunday the results were 46.1% ahead of 1966, according to Monsignor John F. Duffy, Diocesan Director of the Society for the Propagation of the Faith.

"From the parishes that have already reported to our office the results of the October 22nd Collection we have received \$52,983, compared to a total of \$36,251 from the same parishes," the Diocesan Director reported.

In the Metropolitan area of Monroe County, the largest return was \$3397 from St. Thomas More Parish, followed by a sum of \$3118 from the Sacred Heart Cathedral and \$2477 from Holy Rosary Parish.

St. Ann's Parish in Hornell was the leading parish outside the Rochester area with a total of 1,834. Other high-scoring parishes were St. Mary Our Mother Parish in Horseheads with 1,599, and Seneca Falls' St. Patrick's Parish reporting 1,421.

For the greatest increases in dollars and cents, St. Theodore's Parish in Rochester led with an increase of \$1455, followed by Holy Rosary's \$1703, and St. Thomas More's \$1057.

In other areas of the Diocese St. Mary Our Mother's Parish in Horseheads indicated an increase of \$718. St. Ann's in Hornell reported a jump of \$581, and St. Patrick's in Owego registered a gain of \$494.

In percentage points the three leading parishes in the Rochester area were St. Theodore's with 238%, St. John of Rochester (Perinton) showing 134%, and Holy Rosary with its 76% increase.

From other sections of the Diocese came glowing reports of gains. 309% was the gain in Our Lady of the Lake Parish in King Ferry. St. Michael's Parish in Montezuma registered a 233% increase, while Holy Angels' Parish in Nunda reported 231% over the 1966 returns.

"We still have two-thirds of the Diocese to report; but we are quite confident with this trend," Monsignor Duffy concluded.

Bishop to Offer Mothers Mass

Bishop Kearney will celebrate Mass for mothers of priests and seminarians at St. Joseph's Church this morning, Friday, at 10:45 a.m.

The Bishop organized the St. Monica's Society soon after his coming to Rochester in 1937 to attend Mass on the First Friday of each month to pray for their priest and seminarian sons.

The Mass has been celebrated earlier in the morning but the Bishop thought the new time closer to noon would enable more mothers to attend the Mass.

Prelates Study Mixed Marriages

London — (RNS) — Roman Catholic Bishop Ernest L. Untermyer of Charleston, S.C., and Episcopal Bishop Donald H. V. Talbot of Milwaukee will be among the 10 members of a joint Anglican-Catholic subcommittee appointed to discuss the theology of marriage and its application to mixed marriages.

Ailing Pontiff With Patriarch — Pope Paul welcomed Greek Patriarch Athenagoras to St. Peter's at the Vatican last week. The Pope fought a worsening intestinal infection to attend an ecumenical service with the Patriarch.

Serving all faiths
in all walks of life

For two generations the Corbett reputation has been based on serving families of all creeds from all walks of life. Those families who have come to Corbett have learned that the finer facilities of Corbett cost no more—and often cost less.

To provide dedicated service within the means of all the essence of the Corbett tradition.
