Dear POP Friends,

"Did you forget us?" "What's happened to our POP Shopping Lists and new Label Report Forms?" These are the questions we've been hearing from many of you. Be assured we haven't forgotten you. The Lists and Forms are "in the works" and we'll get them out to you as soon as possible.

In the meantime, please clip the COURIER POP Shopping List (printed below). Also, if your collection of labels is really piling up and you want to turn them in now, you may use one of the old Label Report Forms (from Game No. 2) or even a plain sheet of paper. Just be sure to list the number of labels you have for each product and the name of your organization.

Thanksgiving, the first of the winter holidays is almost upon us, so it's essential that we start preparing for the big day now. For example, all non-perishables can be purchased this weekend—relishes, nuts, Chase & Sanborn Coffee, Pepsi and Seven Up, Royal Gelatin, Wise Potato Chips. If you have a freezer or large freezer compartment, you can also purchase the frozen products as well, including your turkey. And if you plan to serve the traditional pumpkin and mince pies, you can bake these now and freeze them.

Another suggestion you might find helpful is to prepare a list of things to be done, such as polishing the silver, arranging a decorative table setting, washing glassware. Advance planning and shopping is the way to avoid that last-minute rush and will allow you to spend more time with your guests when the big day arrives.

Although Thanksgiving traditionalists may be shocked by the idea, there is an alternate to the perennial pumpkin and mince pie dessert. (Some people find these too heavy after a lavish main course.) Why not serve Fresh Fruit Ambrosia... Cut or slice any combination of fresh orange, grapefruit, pineapple or other fresh fruits. Sprinkle with a small amount of sugar and chill. Just before serving, decorate with coconut and maraschino cherries.

Perhaps too, you'd prefer some other "relish" instead of the traditional plain cranberries. If so, just spice Royal Peach Gelatin with a dash of cinnamon and cloves. When partially set, fold in well-drained canned cling peach slices and whole cranberry sauce. Serve as salad accompanied by a blend of mayonnaise, cream cheese and chopped almonds.

To complete your main course, we recommend this sweet potato recipe:

POP Scalloped Sweet Potatoes

- 10 medium sweet potatoes
- 3 cups apple slices (Jonathan or Winesap)
- 1 cup brown sugar, packed
- 1 tsp. salt
- 2 tsp. ground mace
- 1/2 cup (1 stick) LAND O'LAKES BUTTER

Wash and cook sweet potatoes until just tender. Peel and slice into 1/2 inch slices. Butter a large baking dish and arrange half of sweet potato slices on the bottom, then half of the apples. Sprinkle with half the brown sugar, salt and mace, and dot with butter. Repeat process. Bake at 450° F (along with turkey) for 35 minutes. Serves 10-12.

If your dinner is served rather early in the day and your guests linger into the evening, no doubt you'll want to provide a lunch of some kind. Cold turkey sandwiches, of course, are always a favorite. For those with a sweet tooth, it will also be well to have some kind of cake, cookies or fruit bread on hand. Here are two varieties which should fit the spot. (These can be baked now and frozen for later use.)

POP Festive Fruit Bread

- 1/4 cup LAND O'LAKES BUTTER
- 1 cup granulated sugar
- 2 eggs
- 1 1/2 cup sifted flour
- 2 tsp. baking powder
- 1/2 tsp. baking soda
- 1/4 cup mashed bananas
- 1/2 cup chopped walnuts
- 1/4 cup raisins
- 1 cup chopped dates

Cream Land O'Lakes Butter; add sugar and beat until light and fluffy. Add eggs and beat thoroughly. Sift dry ingredients together and add to butter, alternating with mashed bananas. Blend in nuts and fruits. Pour into a greased loaf pan and bake in a 350° F oven for about 1 hour. Test with toothpick. Cool. Dust with powdered sugar before serving.

POP Swedish Spritz (Cookie Press Cookies)

- 1 lb. LAND O'LAKES BUTTER (or 1/2 lb.) BLUE BONNET WHIPPED MARGARINE and 1/2 butter)
- 1 cup granulated sugar
- 1 egg yolk
- 1 tsp. almond extract
- 2 3/4 cups flour

Cream butter and sugar; add egg yolk and extract. Add flour gradually, beating until smooth after each addition. Push through cookie press onto cool baking sheets. Bake in 400° F oven for 15 to 20 minutes. If you prefer rainbow cookies, add food coloring after first addition of flour. Makes about 7 doz.

SPEAKERS TABLE at McQuaid Founders Dinner included, from left, Father Charles Dolan, principal speaker; Mrs. Thomas G. Presutti, co-chairman and Father Charles Lavery, president of St. John Fisher College.

Fisher Gets Kodak Grant

St. John Fisher College has received a direct grant of \$2,400 from Eastman Kodak Company under Kodak's 1967 Educational Aid Program.

Fisher was among 80 private colleges and universities which shared \$339,600 in direct grants this year. The grants help schools to compensate for the difference between the actual cost of educating students who accept employment with Kodak within five years after graduation and the amounts these students may have paid in tuition and fees, and are paid after the employe has completed five years with the company.

Other speakers were Jesuit Fathers Albert P. Bartlett, rector of McQuaid High and Joseph Gerstz, principal of the school. A well received event featured two McQuaid seniors, Daniel Warmerhoven and Richard Keeley, who spoke on what McQuaid meant to them. Vincent J. Stanley and Mrs. Thomas G. Presutti were co-chairmen of the event, while Father William P. Poorten, S.J. handled the master of ceremonies' role.

Teen Agers Need Support, Jesuit Speaker Stresses

A strong plea for "understanding and support" for teenage boys was made by Jesuit Father Charles F. X. Dolan last week at McQuaid Jesuit High School's annual Founders Dinner.

He was the main speaker at the dinner held at the Clinton Avenue South school on Thursday, Nov. 9 and attended by some 380 Founders and their guests.

Father Dolan, who appears frequently on radio and TV religious programs, mixed humor and wit with his more serious message on the problems of adolescence.

Among the guests present were Judge and Mrs. Harry Goldman, Father Charles Lavery and Sister Helen Daniel, presidents of St. John Fisher and Nazareth College respectively. Mr. and Mrs. Kenneth Power and other prominent citizens including many of the school trustees.

Richard St. George Mass Offered by Priest-Uncle

A Requiem Mass for a 20-year-old Rochesterian killed in a tragic shooting accident was celebrated by his priest uncle at St. Ambrose Church on Saturday, Nov. 11, 1967.

Richard St. George, a sophomore at the University of Denver, died almost instantly on Tuesday, Nov. 7, when his roommate pointed a rifle, thought to be unloaded, at him and pulled the trigger. No formal charges were lodged against the student after a police investigation.

Father Ignatius St. George, an uncle of the deceased young

man, offered the Requiem Mass and conducted interment rites at Holy Sepulchre Cemetery.

Son of Mr. and Mrs. Philip A. St. George, Jr. of 134 Dornington Road in Irondequoit, the deceased student also leaves a brother, Philip St. George, and several aunts, uncles, nieces and nephews.

A 1966 graduate of Attendale School, Mr. St. George was a pre-law student at the University of Denver. He resided in a Denver suburb, Englewood, where the shooting accident took place.

25 Years Ago

(From Catholic Courier, Nov. 19, 1942)

A warning that "we are engaged" against an enemy that would create "a slave world" and that compromise is impossible was declared in a statement published in Washington, D.C. in behalf of the Catholic Hierarchy of the United States.

Bishop Kearney in a prepared statement stressed the imperative need for women in war industry. He warned, however, that women with small children were being urged to remain at home.

YOUR FAST ACTION IS NEEDED

The proposed H.R. Bill 7977 is a distinct threat to the religious press, newspapers and magazines, of the nation. It removes the previous exempt status which these publications had, lumps them with other publications and raises the postal rates radically.

At present the postal rate for religious publications is 1.8 cents per pound on advertising; the proposed new rates would jump to 5.1 cents immediately and gradually rise to 12 cents per pound.

Further expense would incur from the requirement to submit a detailed report of each issue mailed, showing the percentage of advertising and the copies going to each of 12 postal zones. This would mean adding another person to our Circulation Department.

This bill has already passed the House and is now up before the U.S. Senate for action.

We urge our readers to write their New York Senators immediately to protest this threat to the religious press. If this legislation passes, it may well price many religious publications out of existence.
