HOW TO LOVE A BABY

You hold it in your lap, cuddle it in your

arms, give it a gentle kiss. The baby laughs, you hug it, and suddenly you smile. How can you not love a baby? . . . How can you refuse it milk and medicine, even if you go hungry instead? . . . Only once in all our 18 countries have I heard a native Sister in an orphanage complain! Evenings you see the Sisters handwashing diapers by the hundreds because there are no washing machines. You see them making coats and dresses out of rags, "walking" the babies who are sick, putting soles on worn-out shoes, correcting school-GIVE papers for tomorrow's class. . . . When food is scarce the Sisters eat last. Do you wonder CHILD the orphans love them? . . . Happily, you too A can have an orphan's love, simply by 'adopt-CHANCE ing' a boy or girl by mail. We'll send you the child's name and photograph, you may write to him (or her) whenever you wish, and the Sisters will keep you informed as often as they can about his progress. All your child needs-for food, clothing, schooling, and medical care—is \$10 a month (\$120 a year), less than a smoker pays for cigarettes! . . . Can you pass up this opportunity to love? Mail the coupon below with \$10 for one month's support, and you'll sleep better tonight. You'll know you're giving a child a chance!
