

At Sibley's each year, some 7,000 area school children are given guided tours through our Santaland, ending their visits with a personal interview with Santa himself. ■ At Sibley's 2,500 children of all ages are given the opportunity to enjoy our 11th annual "Breakfast with Santa" parties. ■ At Sibley's, families of men in our Armed Forces are given the means to record messages which will be sent to their loved ones through the Red Cross "Voices From Home" program. ■ At Sibley's, special youngsters who might not otherwise see Santa are given a private Christmas party with Sibley's high school board as hostesses and Santa as special guest. ■ At Sibley's 140,000 youngsters annually enjoy our traditional "Toyland Walk" which has become a local Christmas institution over the last 35 years. ■ At Sibley's this year, many hundreds of toys will be given for distribution to needy children. ■ At Sibley's, "Christmas is a Time of Giving."

Head Good

Minneapolis — family which around the child two worlds: that and that of the life specialist to theran Health am here.

"The result is adolescence," s Grams, director Development Merrill-Palmer

It forces the up too quickly development of adult, he said.

Dr. Grams outive and destruc day's society" on the family. the child hurried development so the grown up as he can be.

"It destroys characteristics characterlessness, spontaneity, unconcern with Dr. Grams said to get off by need to be a reliable and in these weaknesses growing up to human being."

If the child fit in a child neither do the continued. The "immature adult vents the husband from keeping wife relationship center of the children. Adults than parents. of their roles."
