BEAUTYREST SUPREME

Sleep like a lamb...wake like a lion

All Through The New Year

YOU'LL SLEEP LIKE A LAMB...because the new Beautyrest Supreme is made with a luxurious, space-age cushioning called Simflex®. Simflex gently molds itself to your body—buoyantly cradles you over the firm, flexible coils below. It's like floating on air.

YOU'LL WAKE LIKE A LION ready for a new day... Beautyrest's individual coil construction gives every inch of your body the separate support it needs. You'll sleep relaxed all night, wake refreshed.

Added protection too. The beautiful quilted cover is Sani-Seal® treated to guard against bacteria, mildew, and odor. Choose the new Beautyrest Supreme... regular firm or extra firm. Either way you'll sleep like a lamb, wake like a lion.
