

Don't pity Jerry Help him

It doesn't matter that Jerry lives in Henrietta. Or a little blind girl lives in Webster. Or a hemophiliac baby lives in Gates.

Everyone living in Monroe County benefits from the Rochester and Monroe County Community Chest - Red Cross campaign.

And if everyone benefits, shouldn't everyone give? Whether or not they work in Rochester?

If you do work in Rochester, you'll be called on at your plant or office.

If you don't, you'll be called on in your home community by a volunteer from your Town Committee.

Either way, it's the united way, and you are helping many of Monroe County's 700,000 people who need it. And many, many do.

Give the united way.
