Soul Singer Is Tops In Survey of Teens

The city's Summer Youth Opportunities program has conducted a survey of teenagers to find what entertainers city youths want brought to Rochester for the Summer Arts Festival.

With more than 1,000 returns, soul singer James Brown tops the list and efforts are under way to sign him and other poll leaders to perform here this summer.

Aretha Franklin finished second in the survey, followed in order by the Supremes, Wilson Pickett, the Temptations, the Young Rascals, Smokey Robinson and the Miracles, Sam and Dave, the Monkeys, Steve Wonder, the Four Tops, Vanilla Fudge, Bill Cosby, Elta James, the Impressions and the O-Jays.

The survey also indicated that soul music is the teens' favorite, followed by popular, jazz, folk-rock, folk, classical, and country and western.

POP TOPICS

Dear Friends,

Ever wonder what some of our POP participants do with the awards received? Well, you can be sure of one thing—they use this cash for a constructive purpose, not for personal enjoyment. In fact we are constantly impressed by the selfless devotion of so many groups which, over the years, have worked tirelessly for the benefit of others.

For example, our top POP winner in the last two Games—St. Ambrose Rosary Society—turned over all its earnings to the sisters at the school. They in turn applied these funds toward the expense of having the convent chapel redecorated, installing a new altar, and even purchasing new habits.

A group at St. Michael's, Rochester, under the dedicated chairmanship of Mrs. William Mahar, was able to purchase a large dictionary stand and other equipment for the school library. At St. Lawrence Church in Greece, the Sunday School group made up of pre-school youngsters directed by Mrs. James Curtis, came out 12th in the last POP Game. One might think that such young children would expect to "enjoy" their POP award. On the contrary, they too used their winnings to benefit the school by buying a projector, craft materials and other needed items.

When the POP program started here—in the fall of 1966—one of the very first groups to register was the Holy Rosary Mission Group headed by long-time worker, Mrs. Neal McGinness. This small but extremely diligent band of women has been organized as a separate unit for over 20 years. (Before that it was associated with the Catholic War Veterans at Holy Rosary.) Today there are approximately 15 active members, eight of whom were with the original group.

Every month of the year, these women prepare and send out boxes of material. For example, cancelled postage stamps go to a seminary, religious articles to missions in Kentucky and Jamaica and Mass stipends to a mission in Texas, eyeglasses to a Lions Club, bandages, hospital gowns, etc. to the Catholic Medical Mission Board. In addition, used clothing and household articles are given out locally. In fact, anything which could be of possible value to others is searched out and collected. If members use "cents-off" or "refund" coupons on grocery store items, these savings are turned over to the group. For them, the accumulating of POP profits of purchase is really doing what comes naturally. Their POP profits have been used to pay for their large mailing expenses.

It is POP groups like this—and we know there are many others throughout the community—who really deserve a "Bravo, Well Done!" Do let us know if your group has an interesting history or uses its POP earnings for an unusual purpose. Through this column, you can inform others of your worthwhile work and perhaps be an inspiration to them.
