

POP TOPICS

Dear Friends,
Time's a 'flectin'! Do you realize less than two months remain in this 4th consecutive POP Game—59 days to be exact. Now is the time to work harder and faster than ever at your label-saving.

Are you as an individual doing everything possible to insure success for your POP group? Have you shopped at Loblaws, banked at Columbia, purchased POP grocery products? And—most important—have you carefully saved each and every tape, bank receipt, proof of purchase? When you had a sizeable amount of these, have you taken them to your POP Chairman? In fact, have you offered to help your Chairman in any way—by sorting and counting labels, perhaps even by transporting these to the Courier POP Office? Remember, any assistance you can give, will bring your group closer to its goal—a place in the Top Ten in POP Game No. 4.

What's the quickest, simplest way of putting new life in vegetables? The spice shelf in your kitchen holds the answer. Whatever the vegetable, the ideas for spicing variety are almost endless. Just blend the particular spices into melted Land O'Lakes Butter and toss the vegetables in it before heating. Adding the spices to the fat produces a more even dispersion and helps cook flavor into the vegetables.

For instance, if your family is partial to peas and carrots (or other mixed vegetables) try this: In a small jar combine 1 1/2 tbs. instant onion powder, 1 tbs. celery salt and 2 tsp. salt. Shake well to mix. (This is enough for 9 or 10 packages of frozen vegetables—the unused portion can be saved for later use.) For each package, add one scant teaspoon of the mixed spices to the amount of butter called for in the cooking directions. Spices, judiciously used, can give you a reputation as a gourmet cook.

You've probably noticed that the summer turkey season is on—special prices are in effect. Don't heat up your kitchen for hours on end by cooking a large one. Instead, purchase two of the small size and put them on your outside Barbecue Spit. If they're for Sunday guests, start the grill in late morning and let the turkeys practically cook themselves. Before placing on the spit be sure to tie the legs and wings securely, and lightly rub the skin surface with Land O'Lakes Butter. During the cooking, add a little more brushed-on butter to keep your turkeys moist.

If you're lucky enough to have left-over turkey, try this recipe:

- TURKEY LOAF**
(serves 8)
- 1 cup fresh bread cubes
 - 1 cup prepared rice (instant or regular)
 - 1 tsp. salt
 - 1 tsp. chopped pimiento
 - 1 tsp. minced onion
 - 2 egg yolks
 - 1 cup turkey broth
 - 1/2 cup instant dry milk
 - 2 to 2 1/2 cups left over diced turkey
 - 2 tbs. melted LAND O'LAKES BUTTER
 - 2 egg whites

Combine bread crumbs, rice, salt, pimiento, and chopped onions. Beat egg yolks until thick and add to turkey broth (substitute chicken broth if necessary), then add dry milk and beat until blended. Combine egg and bread mixtures. Add diced turkey and melted butter. Beat egg whites until stiff, but not dry. Fold into mixture. Bake in loaf pan at 375 degrees for one hour.

This is a delightful main entree served with a green vegetable, gelatin salad, and for dessert, sherbet balls and fresh fruit.

Another suggestion for using left-over turkey—the tried and true "a la King" method. Youngsters love this version since the result doesn't look or taste like "left-overs".

- TURKEY A LA KING**
- 3 tbs. Land O'Lakes Butter
 - 2 tbs. flour
 - 1/2 cup milk
 - 1 cup turkey (or chicken) broth
 - salt and pepper to taste
 - 1/2 green pepper diced
 - 1/2 cup mushrooms, sliced
 - 1 egg yolk
 - 1 1/2 cups diced cooked turkey
 - 1 pimiento, chopped
 - 4 slices toast

Make a white sauce: Melt 2 tbs. of the butter and stir in flour. Add milk and broth and cook until thickened, stirring occasionally. Season with salt and pepper. Melt the remaining tbs. of butter in small pan, adding green pepper and mushrooms. Cook a few minutes over low heat. Beat egg yolk, stir in a small amount of white sauce and add to rest of sauce. Add the remaining ingredients and cook until mixture is hot. Serve on toast.

"But it is a project that is deeply dependent on the support of the people in the area, and its continued success depends largely on whether or not the community as a whole gives the necessary support."

AYM has five goals for itself. The last states: "We hope that AYM will be a beginning in ecumenical effort which will eventually make our unity a reality."

Ecumenical Theme: 'Serving the World'

For the third consecutive summer the Ecumenical Church School in the Otis-Edgerton area opened this week in five separate places, at St. Anthony's, Christ Presbyterian, Holy Apostles', Holy Family and Lake Avenue Baptist churches.

The theme of this summer's curriculum in the five centers is "Serving the World," according to Father James Russell of St. Anthony's.

"Using the Bible, specifically Acts of the Apostles, as a take off point, we are going to try to learn about peoples throughout the world, and then how we can serve all people in our neighborhoods," he said.

Father Russell estimated between 100 and 150 adults and teenagers attended the four training sessions which prepared them to teach the kindergarten through 8th grade. About 400 children are registered.

Bishop Dennis W. Hickey presided at the departure ceremony, and Bishop James E. Kearney gave benediction.

The five Sisters, now bound for training in culture and languages at Anapolis, Brazil, are Sisters Sophia Bove, Mildred Coughlin, Brenda Dewey, Patricia Orzyk and Marie Barbara Burgmaier.

Their arrival will bring to 16 the number of Rochester's Sisters of St. Joseph in South America.

Germans Arrange Annual Fete This Sunday

"German Day, 1968", for all German-descendants of the Rochester area, has been set for Sunday, August 4, at the Monroe County Fair Grounds on East Henrietta Road. The public is invited.

Consul Bruno Schepper, as the representative of Consul General Klaus Curtius, will convey the greetings of the Federal Republic of West Germany at the regional German celebration, held annually since 1955.

Singing, dancing, cultural displays, refreshments and entertainment by four German Youth Groups will highlight the day's activities, following speeches beginning at 2:30 p.m.

The music groups, who have given concerts in Germany and Austria three times, are the Rochester Saenger Youth Chorus, conducted by Harold Tausch, and the Youth Music Group of the Society of the Danube Germans, directed by Karl Adam.

Father O'Toole Teacher, Chaplain

A concelebrated Mass of Requiem was offered Monday, July 29, for Father William B. O'Toole, C.S.B., a former member of the Board of Trustees of Aquinas Institute, and a military chaplain during World War II.

Father O'Toole died in Houston, Texas on July 25, following a heart attack. Very Rev. Joseph Wey, C.S.B., Superior General of the Basilian Fathers was the principal concelebrant in St. Ambrose Church, Bishop James E. Kearney gave the final absolution.

Born in Painesville, Ohio, Father O'Toole received his elementary and high school education in Geneva, N.Y. He entered the Basilian Fathers novitiate in 1918 and was ordained in Toronto in 1924. A well known classics scholar, Father O'Toole held degrees from the University of Toronto and did post graduate work at the University of Chicago.

In 1942 Father O'Toole became a chaplain with the U.S. Army and served overseas, stationed first in England and later in France. He obtained the rank of Major before returning to St. Michael's College in the University of Toronto where he served as dean for American students until 1959. For the last nine years of his life he served on the staff of St. Anne's Church in Houston.

Father O'Toole is survived by his sister, Mrs. John F. Croston, Rochester; two nephews, John F. Croston II of Buffalo and E. Patrick O'Toole of Chittenango, N.Y.; two nieces, Mrs. Donald R. Cushman of Fairport and Mrs. Fred Fedora, of Vestal, N.Y.

The Water Heater for the Growing Family

Active growing families need lots of hot water. There are many, many baths... many washings and much cleaning to be done. And, as the family grows, so does the number of helpful appliances to make life easier. Soon an automatic dishwasher is added, then a new and bigger washer — all to keep you, your family and your home as neat as a pin.

But many times, as your family increases, your old water heater seems to shrink. You find you're running out of hot water in the middle of a shower, or the water isn't hot enough for the second batch of clothes. If this is the case, now is the time to switch to the water heater that grows with your family — an A. O. Smith Permaglas gas water heater.

Because A. O. Smith is quality constructed throughout, it's able to keep up with your increasing demands. The glass lining is built to take numerous changes that occur when converting cold water to hot. And the thick blanket of insulation keeps the hot water in the tank — where you want it!

So, if your old water heater can't keep up with your growing family — stop in and see us. We'll see that you get an A. O. Smith that grows with you.
