# 'Thank God, We're Able to Help You'

Would it be typical of Bishop Fulton J. Sheen that the first of six families to be aided by the Bishop Sheen Housing Foundation to buy a home is room house at 387 Alphonse St. a Negro non-Catholic family of six?

Happening one day to chat with the children in Rochester's inner city, the Bishop asked to see their home. He was so impressed with its inadequacies that he asked the Foundation to "find them a better place in which to live."

Aided by a Foundation grant toward a down-payment, which otherwise could not have been

made, Mrs. Julia Leonard and her five children today are living in and purchasing a "home" of their own—a five-bedroom house at 387 Alphonse St.

They are overjoyed at having their own home, and Bishop Sheen has been helped by the Foundation to become an "owner" rather than "renter," at little more than she had been paying in her former cramped quarters. Her rental had been \$85 monthly; mortgage payments now are \$89 monthly.

But it couldn't have been done without the Foundation assistance.

To mark the occasion, and "to thank God we've been able to help you," Bishop Sheen celebrated a Mass of Thanksgiving in the new home March 13.

As he was robing, the Bishop explained the Mass to the more than 20 guests present, and asked: "Now during the sermon, what would you like me to talk about?"

"Talk about love," one of the small voices answered.

The Bishop did. He noted that "God so loved the world

Dear Friends,

'Tis true, 'tis true—Good News does come in bunches And just to prove it, we bring you these happy announcements.

First, you'll have more time in which to buy POP Products and Save POP Labels. Yes, we're extending this particular Game another whole month. In other words, the deadline for turning in all your POP proofs of purchase will be April 30 instead of March 31.

What makes this Game, No. 5, different from all the others? Because, folks, it will mark the end of the Courier POP Program. But don't despair—it needn't be the end of your Label-Saving, Fund-Raising, Through POP has been a profitable enterprise for many of you, the Courier has in the making a brand-new label-saving concept which will prove even more profitable.

You may have noticed the ads for this which have been appearing during the past few weeks—the ads announcing the start of a Money/Labels Program. This is something entirely new. In the past, when you helped to raise funds for your non-profit group, you neither expected nor received any personal "reward." You did it as a labor of love. Through Money/Labels, you can continue to assist your organization, but you will also profit personally. Over 75,000 Money/Labels have supported POP already registered for Money/Labels—if your group is one of these, fine; if not, why not investigate the "possibilities?" The sooner you join, the more time you'll have to become thoroughly informed, to get in on the ground-floor of profit-making.

During the coming weeks you'll be hearing more and more about Money/Labels in the pages of the Courier. Meanwhile, if you'd like some specific information, do give us a call or drop us a note. The number to call—just for Money/Labels—is 546 5140. Address your inquiries to Mrs. Eanis, Courier Journal, 35 Scio St., Rochester, N. Y. 14604. As they say in the ads, "You'll be glad you did."

Incidentally, since the POP Program is coming to a close, we'll no longer be accepting requests for POP information or membership. However, those of you who are already registered do keep up your efforts until the end of this Game—April 30.

### Men's Breakfast Hosts Judge Kennedy

Hornell — Judge Robert P. Kennedy of Canandaigua was the principle speaker to about 53 men at the Notre Dame Retreat League Communion Breakfast recently. His topic was: "The reason for making a retreat."

Citing the general apathy about both God and Satan, he suggested that one of the best ways to bring God out of the Church and to bring the fear of Satan back into the heart was to make a retreat.

Judge Kennedy also noted statistics on crime among teenagers; and said that the man of the family must give a good example to his children. "What finer way... than to attend a retreat," he said.

Harry Fillmore from Hornell and Robert Fien from Pittsford will speak at St. Ann's at all the Masses on Mar. 23, for the men's Retreat League. They will also contact all the men of the parish at 2:00 p.m.
