Copyright 1969 Kelly & Cohen

We've been rehearsing
in Rochester for 5 years
in a large Discount
Department Store!
Now we're ready to
play the Palace!

During the last 5 years Kelly and Cohen has put some beautiful stores together but none can compare to the "hit stores" we've brought to Rochester. Big, beautiful, loaded with famous names. These are our hit attraction. Come see them. They have won critics raves.
