Canadian R & R is remarkably good. Canadians have known for years. Just as they've known G & W Ltd., Canada's oldest distiller wouldn't make the whisky any other way. Happily, this fine whisky, registered at the distillery is now available for the very first time in the U.S.A. Ask for R & R in the elegant bottle at your liquor dealer. Find out first hand how delightful Canada's good neighbor policy can be!
