

Because you care, share.

Give the united way 

Living today can be hard for some people different from ourselves. Like somebody blind, in Spencerport. Somebody crippled, in Gates. Or somebody with cerebral palsy in Henrietta.

And living can be hard for people who aren't different at all. Like the neighbor down the street who needs help. No matter where they live, everybody in Monroe County benefits from the Community Chest-Red Cross campaign. So let's put all we give into one big effort.

If you work in Rochester, you'll be called on at your plant or office.

If not, you'll be called upon at your home by a volunteer from your Town committee.

Give the United Way.
