## Steps Away from Misery

Eight children and their mother live in cramped confusion in an upstairs flat. They get home by way of a decrepit back stoop and a dark stairway.

The whole place is falling apart, and the landlord couldn't care less; he collects \$125 a month for it as it is.

This family is lucky. They have friends in Greece. If they can hang on a while longer, the friends will rescue them.

HEM Foundation, Inc., exists for the single purpose of getting the family into a decent house, its announcement says. The goal is about \$2,500 for a down payment.

After that, continued friendship and guidance, on the part of the founders.
