

Announcing Rochester's first double your money back guarantee on money.

Iron clad.

Marine Midland Bonds are new.
So is the long-term guarantee that goes with them.
We, of course, guarantee an annual 5%.
We also guarantee to compound it daily,
not just quarterly.
We guarantee to pay this top interest,
no matter what, for 14 years.
That's how our growth bonds
will double your money. Guaranteed.
You can back out, but we can't.
You can take all your money and every
cent of interest without notice on any
quarterly anniversary date
Growth bonds start at \$100.
Bring or send your money.
OPTION: If you want your interest
by check as you earn it, you can get
Marine Midland Income Bonds.
Again, we guarantee
5% annual interest
compounded daily, for 14 years.
Monthly or quarterly checks, as you say.

Maybe we've gone too far.

Mail with your check to
