

PARISH ORGANIZES WOMEN'S CLUB — Officers of newly-organized Women's Club of St. Salome's Church, Irondequoit, are greeted by pastor, Father Walter Fleming, following Mass in new parish church. From left are: Mrs. Arnold Claccio, president; Mrs. Edna Neighbor, vice president; Miss Roberta Reiners, recording secretary; Miss Carole Puchnick, treasurer; Mrs. Edward Gassner, corresponding secretary.

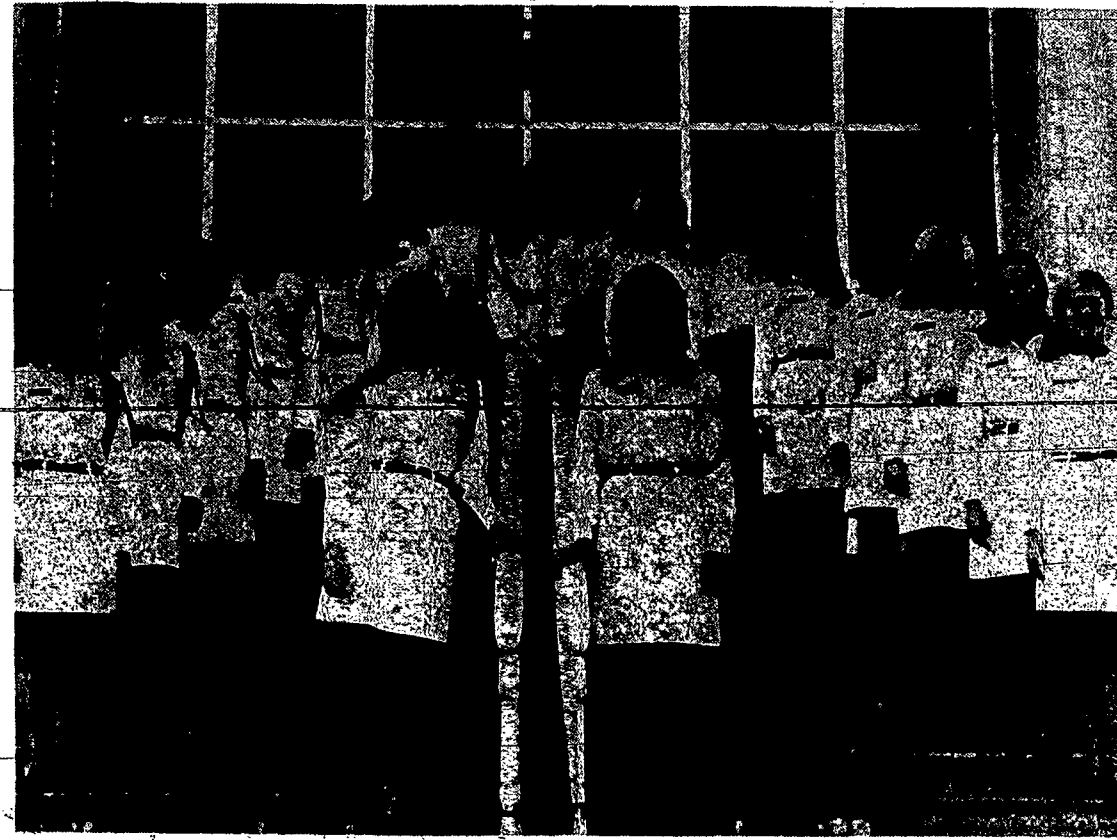

Women's Club Formed at St. Salome's

Members of the newly-formed Women's Club of St. Salome's Church, Irondequoit, were told at their organization meeting May 5 that it is not easy to love—but the best way to stay close to the source of love—Our Lord.

Speaker was Sister Mary Peter, RSM, a counselor for the Order of Our Sisters of Mercy, who is the first Sister in the state to receive a license in clinical psychology.

Sister Mary Peter, daughter of Mr. and Mrs. E. H. Schlueter of Pine Hill Drive, Irondequoit, and a 1932 graduate of St. Salome's School, declared: "Our Lord was a good psychologist when he told us to love. The person who can love and relate to others is not likely to wind up on the psychiatrist's couch."

Father Fleming pointed out that the new Women's Club is an amalgamation of the former Mothers' Club and the Mission Society. Thus far it has set up commissions to be concerned with choir, sacristy, adult education, religious education of Catholic children in public schools, Christian concern, young adults, inner city, Girl Scouts, and parish school.

FLORIDA COLLEGIANS AIDING VIET ORPHANS — Among groups regularly sending boxes of clothing and other articles to a South Vietnam orphanage are 40 University of Florida "ROTC Sweethearts," 19 of whom are pictured above.

Collegians Praised for Aid to Orphans

Long Binh, Vietnam — A young people are expending their energies in a constructive way for less fortunate people.

He said he has worked with one such group for more than a year — 40 University of Florida "ROTC Sweethearts" who have continued to send shipments of 12 to 15 boxes at a time of clothing, toilet articles, toys and so forth. The girls also have exchanged pictures with the orphans.

"In this day when so many of our college students are concerned with demonstrating, protesting and taking over buildings," Msgr. Gefell declared, "it is heartening to know that other groups of young people are expending their energies in a constructive way for less fortunate people."

Msgr. Joseph Gefell and his twin, Msgr. Gerard Gefell, both of whom have served worldwide service as Army chaplains and both now serving in Vietnam, are expected to return together to Rochester on July 22 before assuming new Army assignments.

Bishop Sheen Confirms Nine Retarded Youths

Geneva — Bishop Fulton J. Sheen bestowed the Sacrament of Confirmation on nine brain-damaged young people at a Mass in the Chapel of the Immaculate Heart-Friary, Geneva.

The Bishop told them that they could carry away nothing of himself, but that they were truly carrying away a great share of God and his love, and that this Sacrament of Confirmation fills them with greater charity, love, goodness and strength.

Those confirmed are Regina Nofzart, Donna Tollis, Linda Cole, Rita Eddy, Bonnie Tombs Cooper, Joseph Ferraro and Thomas DeMatties of Geneva; Gloria Calarco of Seneca Falls, and Frank Oaks of Oaks Corners.

The William Eddy family of Geneva had double pleasure. They witnessed and shared in the first Holy Communion given to their daughter, Rita, by Bishop Sheen.

These young adults were readied for these Sacraments through years of study at a special religion class conducted by the Immaculate Heart Fraternity of the Third-Order of St. Francis in Geneva.

"All of our students have made their First Holy Communion, and have been confirmed," said Miss Florence Hoag, director of the class.

"We believe there are many others who could benefit by this instruction and find their way to the Sacraments. Information may be obtained by calling me at 789-1027 or by calling Mrs. Roman-Belmont at 789-6156."
