

New Residence Hall Complex Begun at Nazareth College

Sister Helen Daniel, SSJ, president of Nazareth College, pushes bulldozer lever at groundbreaking ceremonies for proposed \$2.4 million dormitory complex. She is assisted by Peter Barry, Nazareth's board chairman. Dorms will accommodate 320 students.

Nazareth College will be able to house 320 more students on campus beginning in September 1970.

Ground work for the proposed \$1.8 million residence hall complex has begun on a site behind the college's administration building. Construction is being financed by a loan under the Department of Housing and Urban Development's college housing program.

The dormitory complex consists of a group of three units, connected by a central commons building for recreation and lounge areas. Rooms will be arranged in suites, with two two-unit rooms and a central bath in each suite.

Each room will be equipped with telephone outlets for improved communications within the complex. Each floor of the new halls will have a lounge area and laundry facilities.

Total square footage for the new site is 61,000, with two of the main buildings comprising three stories and the third a four-story unit. They will be of brick to match other campus buildings.

They were designed by Giffels and Rossetti, architects who designed the Nazareth Arts Center. General contractor is Sandman Construction Inc., of Penfield.

Many of the more than 1,200 students at the college currently are residing off campus, necessitating travel to attend classes.

Laymen Elect Officers, Study Urban Problems

Members of the Rochester Catholic Laymen's Association last week turned their attention to urban problems as they elected new officers.

Robert McLaughlin, 209 Buckland Ave., associate professor of philosophy at St. John Fisher College, was elected president, succeeding Raymond Hensler. The meeting was held May 21 in St. Charles Borromeo School hall, Greece.

Robert McLaughlin

In one of three resolutions, the group called on Bishop Fulton J. Sheen to name a successor soon to Father P. David Finks, vicar of the Office for Urban Ministry, who next week assumes a position with the U.S. Catholic Conference in Washington, D.C.

The resolution urged that the new vicar be chosen "in consultation with clergy and laity involved in urban problems."

Another resolution noted that the

association extends total support to the program designed by the Urban Ministry of Rochester, and urged greater interest in the program by individuals and organizations "in order to develop a citizen force familiar with the problems of our area and trained to employ the techniques designed to bring about a better community."

The group also approved a resolution stating that the non-territorial parish is "a worthy concept" for study and evaluation.

Elected with McLaughlin were: First vice president, James Koller; second vice president, Sister Dorothy Keefe—on a year's leave of absence from the Sisters of Mercy to work as field representative for the New York State Office of Economic Opportunity—; secretary, Mrs. Paul Brayer; treasurer, William Cartington.

New delegates chosen included Terrance Flynn, Dr. Donald Hassett, Mrs. Susan Muzakis, Sister Mary Jane Nelson, RSM, and Edward Winterton. Holdover delegates are Ernest Curran, George McVey, Gerald Sass, Monica Sullivan, and Mrs. Herman Walz.

84 From Southern Tier Get CCD Certificates

Auxiliary Bishop John E. McCafferty presided at a concelebrated Mass and presented certificates to 84 Southern Tier Religious and lay persons in the Confraternity of Christian Doctrine teacher training program, last Sunday in St. Mary Our Mother Church, Horseheads.

Concelebrating Mass with Bishop McCafferty were Fathers John Muligan, Roy Kiggins and James Keller.

Bishop McCafferty preached on the relationship between Jeremiah,

Ezechial and the catechist. He said that both Jeremiah and Ezechial balked at the hard, prophetic vocation, but relied on God for the strength to preach His Word.

The music for the ceremonies was led by "Celebrate Life," St. Mary's choir, under the direction of Ray Defendorf.

Those certified completed a 30-week CCD teacher formation course which began last September. Throughout the Diocese, nearly 600 people participated.
