Sit in your warm, comfortable easy chair and think of the wondrous convenience a FRIGIDAIRE Flowing Heat Dryer with an Automatic Dry Cycle will bring you this cold, harsh winter ahead.

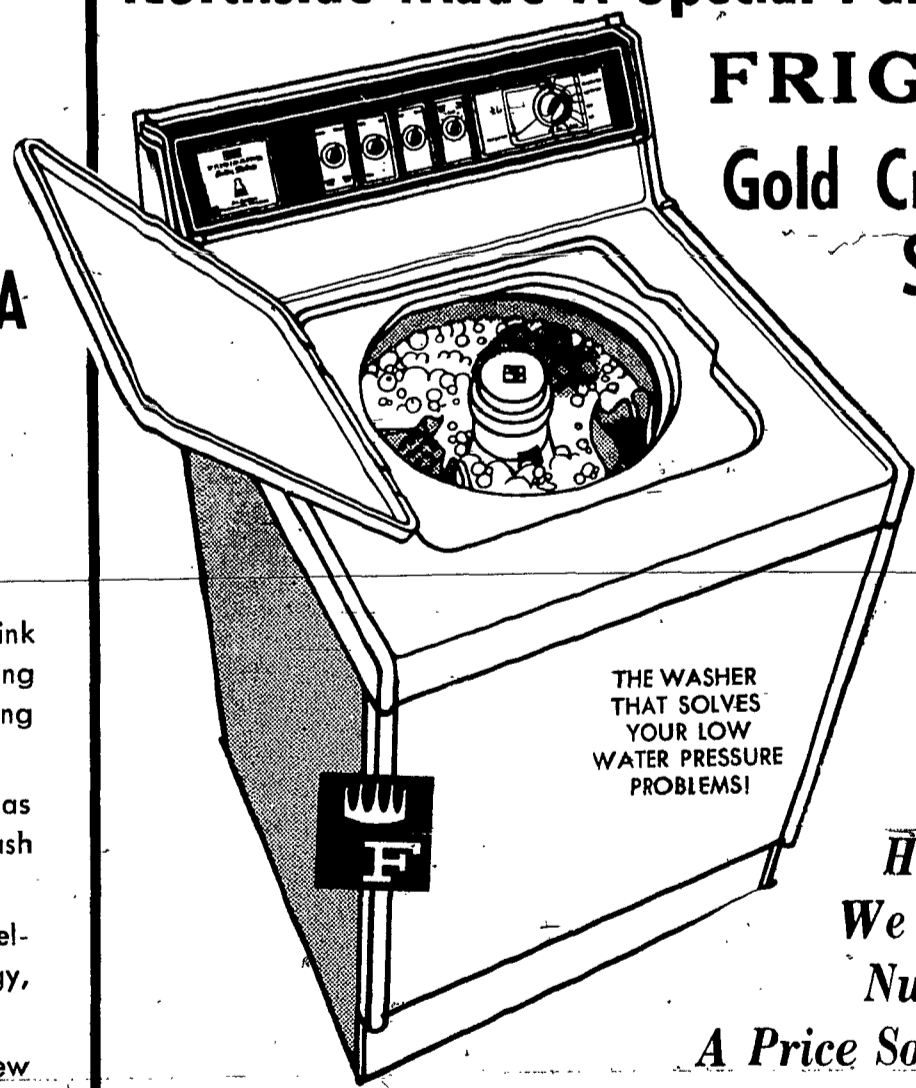

Freedom from the misery of stiff, aching fingers as you struggle to pin windflapped, fast-freezing wash to lines frosted stiff.

Freedom from troublesome hanging clothes on cellar lines and over racks with the result . . . stiff, dingy, harsh clothes.

Instead, you simply put your wash into your new FRIGIDAIRE GOLD CROWN DRYER and go on to other more important tasks. Your clothes are gently fluffed, and cradled in constantly freshened and radiantly heated currents of flowing air. Dried so fluffy and effectively you actually fold and put away the major portion of your laundry, without even the touch of an iron! And there is more . . .
