

# A Brownie of Another Shade

When is a brownie not made of chocolate? When it's flavored with nutritious peanuts and honey!

Golden Peanut Brownies have the sunny taste and color of "bee" delicious honey. Smooth creamy peanut butter is blended in for extra protein. Chopped peanuts add crunchy texture. These brownies are easy to prepare and can be made by youngsters themselves.

They keep well. They ship well, too.

Each chewy bite of a Peanut Brownie is as healthful as it is flavorful with the nutritional bonus of enriched flour. And best to you, three essential B vitamins, thiamine, niacin and riboflavin and the mineral, iron, have been added during milling.

## PEANUT BROWNIES

- 16 cookies
- 1 cup enriched flour\*
- 1/2 teaspoon baking powder
- 1/4 teaspoon salt
- 3/4 cup sugar
- 1/2 cup creamy peanut butter
- 1/4 cup honey
- 2 eggs
- 1 cup salted cocktail peanuts, chopped

Combine flour, baking powder and salt in a separate bowl, mix together sugar, peanut butter and honey until smooth. Beat in eggs, one at a time; gradually add flour mixture. Stir in peanuts. Spread in greased 9-inch square pan. Bake in preheated 350° oven 20 to 25 minutes, or until cookies begin to shrink from sides of pan. Cool 15 minutes. Cut into squares. Cool completely before removing from pan.

\*Spoon flour into dry measuring cup; level. Do not scoop. NOTE: If self-rising flour is used, omit baking powder and salt.

# Delicate Chiffon Pie Popular as Ever

Back in the Roaring Twenties, when chiffon dresses were all the rage, chiffon pie made its debut. Although pies of all sorts have been dessert favorites for centuries, chiffon pie wasn't "invented" until 1921, when a professional baker, casting about for a novelty item to increase bakery sales, hit upon the idea of incorporating stiffly beaten egg whites into fruit-flavored gelatin mixtures. The resulting pastel fluff looked for all the world like chiffon. At least, his mother thought so, and named the pie for the fabric.

Though the popularity of the fabric chiffon has fluctuated during the years, the pie has steadily grown in favor. Today, just as many new fibers other than the original silk are used to make chiffon, ingredients—other than egg whites—are used to give chiffon pies their delicate, airy texture.

One of the advantages the present day has over those Roaring Twenties is the avail-

ability of frozen food products such as strawberries and blueberries. Thus these delectable chiffon pies, instead of just being a summer delicacy, can be enjoyed year-round.

Blueberry glaze pie is made with grape gelatin and whipped topping mix.

Strawberries, best loved of all berries, combine with strawberry flavor gelatin to make Transcendental Strawberry Pie. One taste will tell you that the flavor extends beyond the limits of ordinary experience.

Prepare topping mix according to package directions. Measure 1 1/2 cups and blend into the slightly thickened gelatin. Spoon into pie shell; chill until almost firm. ## From the Office of Human Concern

By Father John J. Hempel

When we open a depot to stock used clothing, furniture and utilities for the disadvantaged we are going to open ourselves to a great deal of criticism.

There are those who would say we are regressing in that we are not meeting the real issue. Others would maintain that every man in this nation should pull himself up by the boot straps — that the opportunity for bettering one's self is here if only one takes the initiative.

Primarily the idea for a depot or warehouse was generated by a request of the Rochester inner-city parishes. They wanted a larger source to draw upon to stock their individual poverty centers and to meet the frequent requests of welfare workers.

## 'Communication', 'Cana Night' Topic

"Communication in Marriage" will be the principal topic at a "Cana Night" scheduled by parishioners of St. Christopher's Church from 7:30 to 10:30 p.m. Sunday, Nov. 16, in the Medical Building, 3350 Union St., North Chili.

Father Gerald E. Dunn, pastor of St. Theodore's Church and former director of the diocesan Family Life Bureau, will be the speaker.

Included in the program will be a folk-mass and a renewal of marriage vows.

The new flat grant principle of the welfare system has produced many new problems in reference to needs that were capable of being met to some extent under the previous system.

When all is said and done, the welfare system, as we know it, is basically inadequate to meet the needs of the poor in this era. The Kerner Report on civil disorders states this very clearly:

Yet can we as Catholic Christians pass by the way assuming that the Samaritan will arrive on the scene? Too often we try to justify our inactivity by means of the 'boot strap cliché'. But too often we fail to realize that the needy have been in many instances disadvantaged by history, tradition, apathy and purposeful injustice. We here see our work as involving people in the realization that all is not right with the world.

"Our present system of public assistance contributes materially to the tension and social disorganization that have led to civil disorders. The failure of the system alienates the taxpayer who supports it, the social worker who administers it, and the poor who depend on it. . . the welfare system is designed to save money instead of people and tragically ends up doing neither."

We are conscious that setting up poverty or human needs centers can be looked upon as a 'band aid approach'.

Attention: Hazel Westfall, Seneca Falls. — The Secular Mission is most pleased to support the opening of a House of Concern in the town of Lyons. We understand that this new venture will be sponsored by the House of Concern, Seneca County, but staffed by the Lyons community. With all the problems of poverty in Wayne County, this should be a means of fulfilling some basic human needs. With the continued support of some of our people I am sure we will be able to continue this concept in the rural areas.
