Memos

From Office of Human Concern

By FATHER JOHN HEMPEL

Memo to Father Daniel O'Neill, Joint Office of Urban Ministry: The meeting with the faculty advisers and student representatives from Aquinas, Bishop Kearney, Nazareth Academy and McQuaid Jesuit last week could be the beginning of a coalition for social action on the high school level. The meeting indicated the great need to inform these people of the issues within our own diocese, but probably even more, the necessity of listening to the concerns of our young people.

Memo to Rochester Area Committee for Open Housing:

Students Alerted To Mail Fraud

The Rochester Better Business Bureau warns area high school students against a California company that may congratulate them for being at the head of their class.

The company has been served a warrant for fraud and its activities are under investigation by the Post Office Department, BBB manager Robert C. Hildreth reported.

Hildreth said the company's letter congratulates the student upon being accepted for inclusion in the National Register of High School Scholarship Winners. Accompanying the letter is an order blank for the register, which sells for \$11.95. The bureau is using all such letters be given to their office for forwarding to the postal inspector's office in California.
