

Not just Mrs. G.

We're on the tail end of bolting down loose ends to fit the style of our new surroundings. Our banking office at One Marine Midland Plaza will open Monday, April 13. When the weather takes a turn for Spring.

We're moving in the first two floors. Vault, checks and goodwill. To get you going for everyday banking. And we're going up in the world. Floor by floor. Spreading out all over to match Marine Midland convenience to Marine Midland hospitality.

We want you to make it your business to stop by Marine Midland's Plaza office. Give-away door prizes. And other things.

Later, when the last board's in place, there'll be twenty big floors. For Marine Midland and friends. Tours for the lookers. And information for the listeners.

We want to do all we can to make your money worthwhile. That's what neighbors are for.
