

Learning

... is the medium for enjoy-
 ... en. The school, on French
 ... directed by the Sisters of St.
 ... spirit and philosophy of Maria
 ... ionary Italian educator.

... based on the philosophy that
 ... er to learn — to develop him-
 ... d activities stimulate and en-
 ... eans for this desire, he will
 ... self-motivation, and an inner
 ... lose.

... sently operates two half-day,
 ... , because of parental interest
 ... ly education, a third class will

... rning materials and teachers
 ... e child "from the sensory to
 ... g the child for a higher level
 ... are ungraded, and the instruc-
 ... y development, practical life,
 ... ence, music and art.

... through the belief that the
 ... achieves the goal of true per-
 ... self-confidence and a sense of
 ... g of security and serenity.

... sa is the director of Trinity, as-
 ... turphy, Mrs. Edward Goldman

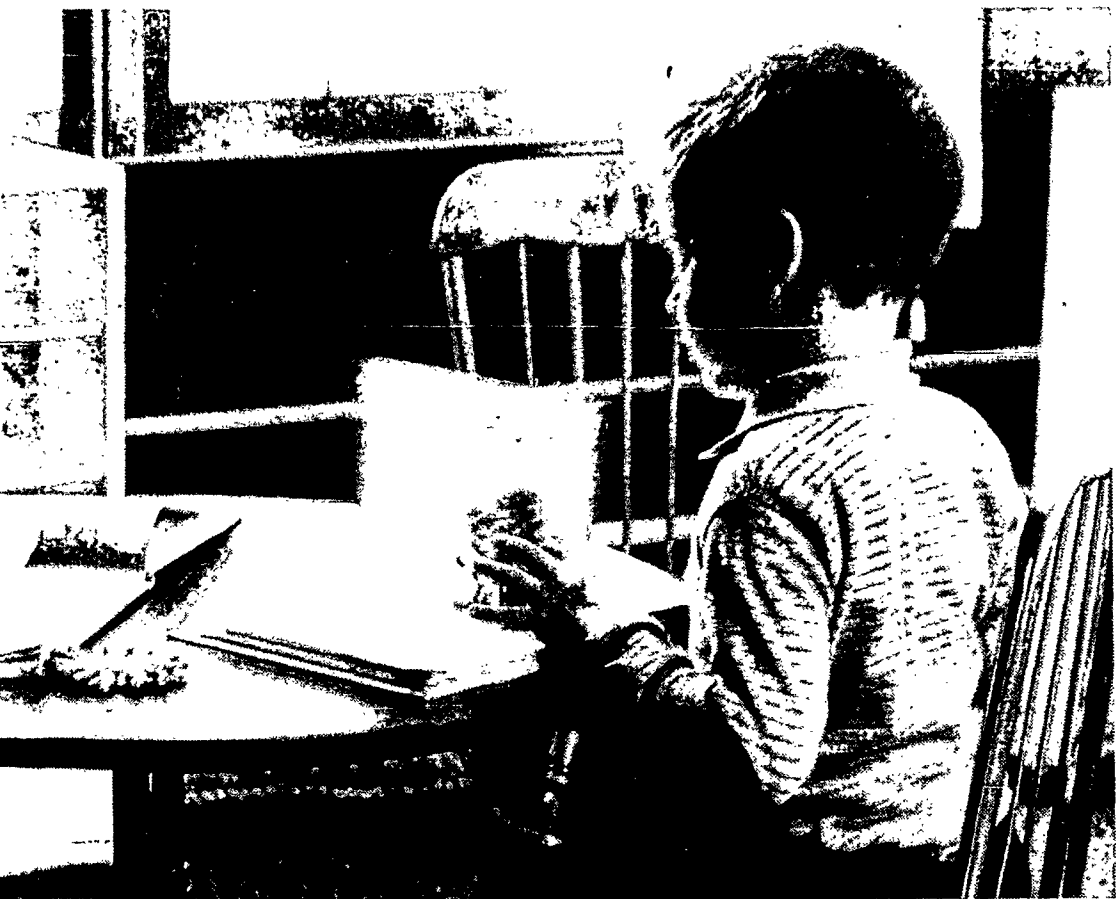

Sr. Mary John, SSJ.
 ... itessori School

Jamie Palmer and Michelle Janicki in hard concentration.

Paul Gallagher and Diane Bredehoff are learning weight discrimination.

... therton prepare for reading by "reading the pictures" in their books.

But it's not all work. Carol Warner plays on the climbing bars.
