Pa. Limits Film Previews

Harrisburg, Pa. — (RNS) — Gov. Raymond P. Shafer has signed into law a bill forbidding the showing of previews of "objectionable movies" on the same program as a movie attended by children.

An objectionable movie is defined in the new law as one rated as not suitable for fam-

ily or children's viewing under the standards set by the Motion Picture Association of America.

Movie operators would be subject to a fine of up to \$1,000 for the first conviction, and repeat violators could be fined up to \$2,000 and imprisoned for two years.
