To Celebrate
Founder's Sainthood**

A celebration is planned by the Cenacle Religious to coincide with the canonization of their foundress, Blessed Therese Coudere, Sunday, May 10.

The Religious invite retreatants and friends to assist at a 3 p.m. Mass at the Retreat House.

Auxiliary Bishop John McCafferty will be the celebrant and will deliver the homily. Members of the Cenacle Retreat League will serve a tea following the Mass.

**Genesee Sets
Pre-Surgery
Classes**

Genesee Hospital patients awaiting surgery now have a chance to learn what to expect. Each evening from Sunday through Thursday Mrs. Susanne B. Stonewell, R.N., conducts small classes to which patients scheduled for surgery the next day, and their families, are invited. A short presentation on what to expect before and after surgery is followed by discussion centered on the patients' questions. At the request of the patients, classes are conducted individually for men and women.

The evening after surgery, Mrs. Stonewell meets with the patients on an individual basis to answer any further questions and to assist them with their pulmonary treatment. During the first week, a total of 82 patients and 41 immediate members of the patients' families were educated about what to expect at the time of surgery.

Mrs. Stonewell is a member of the 1969 graduating class from the Genesee Hospital School of Nursing.

**Fewer Complaints
Of Offensive Mail**

Offensive material that comes unsolicited by mail should be returned to the Post Office complete, if action is sought against the mailer.

William E. Finn, officer in charge of the Rochester Post Office, pointed out this week that a prohibitory order cannot be issued unless the address label is submitted as prepared by the mailer.

He said that complaints about offensive mail were decreasing, and this "is very healthy for the community at large."

**FEEL
GOOD
TODAY**

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

This column's happiest readers are the men, women and children who know they're needed. The days we're busiest helping others are the happiest days of our lives. . . . Who needs you most? Surprisingly, God needs you — for instance, to help an abandoned orphan become a God-loving, responsible adult. Lepers need you (there are still 15-million lepers in the world), blind children need you, and so do we. . . . Here in New York we are your agents, telling you where the Holy Father says your help is needed, and channeling your help promptly and safely to the people in need. . . . Want to feel good right now? Do without something you want but do not need, and send the money instead for one of the needs below. You'll feel good, especially if your gift is big enough to mean a sacrifice to you. This is your chance to do something meaningful for the world — it's God's world — while you're still alive.

DO
SOMETHING
MEANINGFUL
WHILE
YOU'RE
STILL
ALIVE

Only \$8.50 gives our priests and Sisters in Shertallay, south India, enough Dapsone 'miracle' tablets for 43 lepers for a year!

For only \$2.50 a week (\$10 a month, \$120 a year) you can make sure that an abandoned baby has food, clothing, a blanket and love. We'll send you a photo of the baby you 'adopt', tell you something about him (or her), and ask the Sister-in-charge to keep you informed.

Your stringless gifts in any amount (\$5,000, \$1,000, \$500, \$100, \$50, \$25, \$10, \$5, \$2) will help the neediest wherever they are — in India and the Holy Land, for instance.

Only you can make your will—and do it this week to be sure the poor will have your help even after you're gone: Our legal title: CATHOLIC NEAR EAST WELFARE ASSOCIATION. Also, our priests will offer promptly the Masses you provide for.
