Dinner Helps to Educate the Poor

Assistance to Negroes in the Rochester area and to peasants in Mexico was the theme for the annual dinner of the Mother Cabrini Circle at Montgomery Neighborhood Center on May 17.

Proceeds from the dinner provide high school scholarships for Negro youngsters. And proceeds from the sale of Mexican articles at the dinner aid the poor of that nation.

For more than 20 years the Mother Cabrini Circle has been providing financial scholarships to Rochester area Catholic high schools for needy Negro boys and girls. Currently the Circle is contributing full or partial tuition for 32 Negroes, for a total of \$5,600.

The library of St. Bernard's Seminary is looking for gifts of paperbacks in good condition, whether light fiction or serious sociology.

Father Joseph Cantillon, S.J., librarian, made the following request this week:

"Please put your spare paperbacks in a carton, drive up to the front door of St. Bernard's Seminary during daylight hours, and leave the carton inside the lobby. Be sure to put your name and address inside the box so that the library staff can write to thank you."

WHY NOT BUILD A CHURCH?

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

Hundreds of readers of this column have built chapels and churches in India, Ethiopia, Lebanon, throughout the Near and Middle East in countries where our Holy Father has said one is desperately needed. Why have so many people, at great personal sacrifice, provided the funds for the construction of mission churches? . . . The answer is easy: they welcome the opportunity to do something needed where it's needed. Sometimes, besides, they build the church in memory of their loved ones, name it for their favorite saint. . . . Where is a new church needed? In hundreds of towns and villages in our 18-country mission world. In Palluruthy, South India for instance. . . . The present church, constructed centuries ago, cannot accommodate the 2,425 parishioners. "The children fill the church; everyone else must remain outdoors to worship in all kinds of weather", states their priest, Father George Kottackal. "I am afraid for the children's safety", he adds. You can build this church all by yourself for as little as \$3,350. You'll be doing something needed, where it's needed, for Christ — and the people who cannot do for themselves! . . . Do something at least, as much as you can (\$100, \$75, \$50, \$20, \$15, \$10, \$5, \$3, \$1) to help build this church! Have you been looking for something meaningful to do? Help Father George and the people of Palluruthy build a simple but lasting church.

YOU CAN DO IT NOW BY MAIL

Tell your lawyer, when you discuss your will, our legal title is Catholic Near East Welfare Association:

- Stringless bequests are used where the Holy Father says they're needed.
- The Masses you arrange for will be offered by poor missionaries.
- \$1,080 will train a native priest, \$300 a native Sister, who will pray for you always.
- \$10,000 will build a "parish plant" (church school, rectory, and convent) somewhere overseas . . . a memorial forever!
