Former Teacher At McQuaid To Be Ordained

A former teacher at McQuaid Jesuit High School, Leon J. Hogenkamp, S.J., will receive the sacrament of priestly orders on June 12 in Buffalo.

Father Hogenkamp will offer Mass at McQuaid with another former McQuaid instructor, Fr. William Scanlon, S.J., at 2 p.m. Sunday, June 21.

From 1964 through 1967, Father Hogenkamp taught French and Greek at McQuaid. He served as summer principal in 1968 and 1969.

A native of Buffalo, Father Hogenkamp received his early education there before entering the Society of Jesus in 1957. He has studied history and philosophy at Fordham University, and theology at Woodstock College, New York City.

Homecoming At St. Anthony's

Hundreds of former parishioners of St. Anthony of Padua Church, Rochester, are expected to attend the annual "home-June 13th day following the parish patron's feast day.

Auxiliary Bishop Dennis W. Hickey will celebrate a folk Mass at 9:45 a.m., and will preach at the 11 a.m. and 12:15 p.m. Masses. Following each Mass the participants will be invited to meet in the parish hall for refreshment.

Father Charles A. Bennett, parish administrator, said photographs of St. Anthony School's graduates will be displayed throughout the hall.

Social Action Foundation To Be Studied

Proposals for creation of a public charitable foundation trust to aid in solving social problems in the Rochester area will be discussed at a seminar from 3:30 to 5 p.m. Tuesday, June 16, in the Xerox Auditorium.

Sponsoring the seminar, one of the highlights of Life Insurance Week, are the Rochester Life Underwriters and the Rochester Chapter of Certified Life Underwriters.

One of the principal purposes of community foundations is to provide "seed," venturesome and emergency funds to support creative efforts to solve current community problems.

As instances, if a foundation had the cash it could loan or provide funds to local agencies working in the low cost housing field, provide more recreation facilities for the community or finance some of the activities for which government funds are cut back.

The foundations get the majority of their funds from bequests from citizen's estates or life insurance policies.
