If Michelangelo had used Masury Wanda on the Sistine Chapel,

he'd have finished in half the time.

And probably never had a headache.

Masury Wanda covers quickly . . . with roller, brush or spray. This interior latex wall paint is quick-drying and non-splattering. Romantic Colors in hundreds of fashion pastels give a soft, matte decorator finish. And Semi-Gloss Enamel gives scrubable, polished satin finish on woodwork, kitchens and baths. "Mike" could have relaxed and spent a lot less time on those rickety scaffolds. He'd have loved Masury Paint.

Masury is good paint for people, people who don't like to paint . . . and those who love to paint wouldn't have anything else.

MASURY
IS GOOD PAINT!
