Blue Army Unit Formed

The Rochester chapter of the Blue Army of Our Lady of Fatima announced last week the names of their officers:

Mrs. Mary Kelly, president; Richard Hill, vice president; John McCarthy, treasurer; Miss Esther Damian, secretary.

The message of Fatima, according to the Blue Army literature, is that "Russia will be converted and there will be peace," if prayers and sacrifices are offered.

The Blue Army has for its main objective "to carry and fulfill the message of Fatima and promote the all night vigil" on First Fridays and Saturdays of each month.

The local chapter meets every Friday in Holy Rosary School on Lexington Ave., Rochester. The public is invited to attend.

Bishop Issues Pulpit Ruling

Worcester, Mass. — (NC) — Pastors and their assistants have been advised by Worcester Bishop Bernard F. Flanagan that they must notify him before inviting "any one other than a priest or deacon" to preach in a church in the diocese.

Bishop Flanagan's letter did not mention whether he must approve of preachers who are not priests or deacons.

The bishop's letter stated that his directive was being issued "in accordance with a resolution taken at a recent meeting of the senate of priests."

Citing an incident in which parishioners walked out during an anti-war sermon delivered from the pulpit by two college students in a New Britain, Conn., church, the diocesan priests' senate asked at the meeting that Bishop Flanagan adopt a policy dealing with such situations "instead of waiting for a similar issue to arise in our diocese."

YOUR SON, THE PRIEST

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

A FUTURE PRIEST NEEDS YOUR HELP

Have you ever wished you had a son a priest? Now you can have a 'priest of your own'—and share forever in all the good he does. . . . Throughout the Near East each year, grateful bishops ordain hundreds of new priests trained by people like you. . . . Their own families are too poor to support them in training, but good Catholics in America 'adopted' these seminarians, encouraged them all the way to ordination. . . . In some inspiring cases, this support was given at personal sacrifice. . . . How can you begin? Write to us now. We'll send you the name of a young seminarian who needs you, and he will write to you. Make the payments for his training to suit your convenience (\$15.00 a month, or \$180 a year, or the total \$1,080 all at once). Join your sacrifices to his, and at every Sacrifice of the Mass, he will always remember who made it possible.

HOW TO MAKE \$10 ST-R-E-T-C-H

Look at the nearest \$10 bill. What is it actually worth? Only what it will buy. In Miami or Brooklyn or Philadelphia, it will hardly buy enough to feed a family for two days. In the Holy Land, it will feed a poor refugee family for an entire month. The Holy Father asks your help for the refugees, more than half of them children. Your money multiplies—as you give it away.

MASS FOR YOU

Think of the month ahead, why not send us your Mass requests right now? Simply list the intentions, and then you can rest assured the Masses will be offered by priests in India, the Holy Land and Ethiopia, who receive no other income. . . . Remind us to send you information about Gregorian Masses, too. You can arrange now to have Gregorian Masses offered for yourself, or for another, after death.

ROOF OVER THEIR HEADS

For only \$200 in Ernakulam you can build a decent house for a family that now sleeps on the sidewalks. Simply send your check to us. Cardinal Parecatil will write to thank you also.
