

Model TBF-175L

GE's SUMMER SHIP-IN BRINGS HOT VALUES

GE'S NO-FROST REFRIGERATOR-FREEZER (MODEL NO. TBF-175L) has the features you want. You'll never defrost a refrigerator or freezer again. Shelves that adjust or slide out, making it easier for you to store bulky items. Twin vegetable bins, $\frac{2}{3}$ of a bushel large. Roomy door shelves which will hold half gallon cartons of milk and ice cream in the 154 pound freezer and in the refrigerator. Separate controls for each section to suit your needs. Ice maker available as option. Door stops protect your cabinets and walls. Magnetic seal door opens easily, closes quietly, available with either left or right opening. Big GE value, yours for **\$318**

Also for your kitchen, look over the fully AUTOMATIC RANGE WITH THE SELF-CLEANING OVEN (MODEL NO. J332L). This oven does the dirtiest job in the kitchen safely and economically for you by cleaning itself. Automatic oven timer sets like any alarm clock to turn oven on and off. Roomy storage drawer, recessed cooktop, appliance outlet are all standard to make cooking simple and quick. Ship-In price only **\$287**

AND SEE THE GE FILTER-FLOW MULTI-SPEED WASHER (MODEL WWA7400L) with unique Mini-Basket for your leftovers, and small loads. Saves on water and detergent. Features a cycle for every washday need, including brand new Soak Cycle for modern laundry compounds. Also permanent press cycle which sprays cold water during spin to remove those hard creases. GE dependability and quality for **\$217**

You won't get better prices all year long. Why not stop in at RG&E today or call us at 546-2700, extension 2428.
