Model DDE-7100L

Today's best buy in washers—GE's fully automatic Heavy Duty 18 lb. Filter-Flo washer with a permanent press cycle which sprays cold water during spin to remove wrinkles. Also has the unique Mini-Basket for small loads and a brand new Soak Cycle for use with modern laundry compounds. Exclusive Filter-Flo recirculates water to keep lint fuzz off your clothes. Today's best buys are as new as tomorrow.

Today's best buy makes tomorrow's clothes care the easiest with the new GE high speed electric dryer (Model DDE-7100L) with automatic control. Automatic cycles include permanent press for easy care fabrics, no-heat fluff and freshen, delicate, normal and heavy, plus manual cycle which allows selection of drying times up to 60 minutes. Brand new end-of-cycle buzzer tells you your clothes are ready so you can remove them before wrinkles set. Gas model (DDG-7100L) also available at higher price.
