

We've got a way you can save in spite of yourself.

Our forget-me-not savings account. Tell us what amount you want to put aside and we'll transfer it from your checking account to savings. Every week. Or every month. Automatically. You don't forget. Neither do we. It's one of the saving graces of a checking account at Marine Midland. So stop in. Our offices are all around you. Tell our Savings Counselor what you're saving for and he'll help you get there. With the right savings plan for you, and the highest interest rates permitted us by regulations. If you can't stop in, call him. Every Marine Midland office has a Savings Counselor. He likes to help. That's what neighbors are for.
