

# Merry Christmas

Are you going to spend another holiday hand-washing dishes?

## Holiday Sellout

Frigidaire Portable Dishwasher

Limited Quantity **\$214**

model DW-CDMR

Christmas is a time of joy and cheer and families and friends getting together to celebrate. It's time to bring out your best china and crystal for those holiday feasts and festivities. And that's just what you have to look forward to—not the feast and festivities but the dishes. You could join in a lot more Yuletide cheer if you had a Frigidaire dishwasher.

Now, just in time for the holiday season, we are selling out our stock of Frigidaire Portable dishwashers (model DW-CDMR) at a price that would make even old Scrooge smile. This is the dishwasher that rolls around for you, goes with you when you move and doesn't need to be installed, although you can convert it to a built-in.

There's little hand-rinsing, too, because your dishes are scrubbed by jets of water from the top, bottom and center. And this model is front-loading, easy to get into, so the top is always free to use for extra counter space.

Quantity is limited, and when our present stock is gone there will be no more at this price. So hurry to our Appliance Sales Department, or call us at 546-2700, extension 2428. You shouldn't waste any more of your holidays, or ordinary days, washing dishes by hand.
