

You don't want a new  
Range or Dishwasher for Christmas!

You want a **FRIGIDAIRE**  
Electric Range or Portable Dishwasher  
Before Christmas because...

**FRIGIDAIRE**  
Electric Range  
with the  
Self-Cleaning Oven

model  
RSE-36P

**\$287**

you'll want them around to make holiday cooking and cleanup easier than it has ever been before.

Frigidaire made the Electri-clean oven for people who like to cook but hate oven cleaning. All you have to do is close the oven door and set the dial to "Clean." In a couple of hours your oven will be sparkling clean, and the entire electric cleaning operation will cost you less than you are paying now for oven cleaning preparations.

Cook Master automatic oven control, and automatic appliance outlet, are great for holiday cooking because you can set them to start whenever you want. Handy minute timer with buzzer and clock make food preparation less hectic, too.

After everyone has enjoyed your great dinner, who's going to wash all those dishes? You could join in a lot more Yuletide cheer if you had a Frigidaire automatic dishwasher. This front-loading portable dishwasher is the one that rolls around for you, goes with you when you move, and doesn't need any installation, although you can install it under a counter if you wish.

There's no hand-rinsing because your dishes are scrubbed by jets of water from the top, bottom, and center. You only have to tip off large bones and scraps, and place your dishes in the sturdy cushioned racks. The dishes are sterilized, too, by washing and drying temperatures much higher than you could possibly use with your hands.

**FRIGIDAIRE**  
Portable  
Dishwasher

model  
DWCDMR

**\$214**

Both the range (model RSE-36P) and the dishwasher (model DW-DCMR) are available in colors at no extra charge.

Quantity is limited, so hurry to our Appliance Sales Department at 89 East Avenue, or call us at 546-2700, extension 2428. We think you should be free of kitchen drudgery this Christmas!

open Tuesdays and Thursdays till 9, Saturdays till noon.
