### Somebody who cares.

Finding a competent nurse to live in or help out isn't nearly so difficult as finding a competent nurse who *cares*.

Our RNs, LPNs, aides and companions are second to none in training and experience. Just as important is the *attitude* of each Medical Pool Nurse. We make sure they're the kind of people you—and your patient—like to be around.

We're a national nursing service, insured, bonded, ready to help day or night.
