If Michelangelo had used Masury
Wanda on the Sistine Chapel,
he'd have finished in half the time.

And probably never
had a headache.

Masury Wanda covers quickly
with roller, brush or spray. This in-
drying and non-splattering, Roman-
tique Colors in hundreds of fashion
pastels give a soft, matte decor-
ator finish. And Semi-Gloss Enamel
gives scrubbable, polished satin
finish on woodwork, kitchens and
baths. "Mike" could have relaxed
and spent a lot less time on those
rickety scaffolds. He'd have loved
Masury Paint.
