Easter in Madrid For Elmira Students

By DICK BAUMBACH
Elmira Correspondent

Elmira — Fourteen students at Notre Dame High School are spending a unique Easter week vacation in Spain. The juniors and seniors left last Thursday and will return April 18.

A teacher at Notre Dame, Janice Many, first brought up the subject of a possible trip to Spain last October.

"The students were really enthusiastic. We've been planning for several months and it finally has become a reality," Miss Many said shortly before the students left for Madrid.

All 14 students study Spanish. Miss Many studied at the University of Madrid last summer.

The students raised money for the trip by selling candy and doing odd jobs.

They will spend most of the 10 days in Spain traveling. For four days the students will live in Madrid. Accommodations for the entire stay will be in hotels.

Miss Many said, "I think the students will use Spanish quite a bit, but they will fall back on English because they will be traveling with an American group."

Superior's Conference Draws Area Delegates

Sister Mary Judith Heberle of the Sisters of Mercy and Mother Agnes Cecilia Troy of the Sisters of St. Joseph were among the representatives of more than 70 religious communities of women in New York State, who met recently at the Provincial House of the Sisters of St. Joseph of Carondelet in Latham, N.Y.

They were delegates to a regional meeting of the national Conference of Major Superiors of Religious Women.

Among the matters discussed were: broadening membership of the organization; the concept of mission; and the involvement of religious women in the social issues of today.

Charles J. Tobin, secretary for the New York State Catholic Committee, spoke to the group concerning the areas of human development of concern to and within the legislative process of New York State.

Bishop Hogan of Rochester addressed the sisters at the initial meeting.

If Michelangelo had used Masury Wanda on the Sistine Chapel, he'd have finished in half the time.

And probably never had a headache.

Masury is good paint for people, people who don't like to paint . . . and those who love to paint wouldn't have anything else.

Masury Wanda covers quickly with roller, brush or spray. This in-drying and non-splattering, Roman-tique Colors in hundreds of fashion-pastels give a soft, matte decorator finish. And Semi-Gloss Enamel gives scrubbable, polished satin finish on woodwork, kitchens and baths. "Mike" could have relaxed and spent a lot less time on those rickety scaffolds. He'd have loved Masury Paint.
