Study Halls Change At Nazareth Academy

By Elzbieta Gorgol

Who would ever think a study hall could be used as a teaching tool?

Nazareth Academy students have just gone through a trial period of a new type of Study Hall system.

Each girl in the school is asked to use her study hall in a responsible way. She is given the privilege of choosing where she would like to spend her free time. There is a number of places from which a girl could choose.

The work-together area is the place to go when you are in need of help in your subjects. Sometimes, a student feels the need to talk, so she goes to the talk area. In the talk area a student is free to do her homework or just converse. There are quiet study halls, and there are various resource centers specifically designed for history, French or English. These places are also a great help to a student who needs quiet or special aids to study such as audio-visual equipment or specialized books.

The library provides the necessary researching aids which are essential for a great variety of assignments. The research work can be copied on a Xerox

St. Mary's Wins At Science Fair

Horseheads — St. Mary Our Mother School here captured 14 awards recently in the annual Horseheads Science Fair held among seven elementary schools, two junior high schools, and one senior high school.

Fifty-eight students from St. Mary Our Mother were entered in the competition.

Two students at the Catholic grammar school won first place awards. They were Matthew Smith of the eighth grade for a physics project and four girls, also from the eighth grade, for a biology exhibit. The girls were Elaine Pekar, Kimberly Lippert, Rosemary Pusey and Teresa Fitzpatrick.

PRE-MARRIAGE COURSE

Ithaca — Two meetings remain in the pre-marriage series at Immaculate Conception. They are scheduled for May 14 and 21 in room 108 in the parish school.

May Day Set At Nazareth

By KIM KNIGHT

Each year the students, faculty and parents of Nazareth Academy join together in work to make the Nazareth May Day a success.

On Thursday, May 20, from noon to 11 p.m. the fruits of their work will be made available to the public.

The day is packed with activity along with the usual games, booths, and food stands. There is a garage sale, a color guard show at 3:30 p.m., a movie "The Mouse That Roared," and a folk festival from 7-8:30 p.m.

The success of Nazareth May Day is due to a combination of three things. The girls who work hard all day in the booths, the parents who volunteer their time at night and two nuns in particular, who never get enough credit, Sisters Patricia and Bernice, members of the Sisters of St. Joseph, who work weeks in advance to get this project off the ground.

Only through their hard work and public attendance, will this year's festival be a 1971 success.

COLLEGE CHORUS

The Nazareth College Chorus will present its annual spring concert at the Nazareth College Arts Center Saturday, May 15 at 8:15 p.m. The all-girl chorus will be directed by A. John Walker.

Mission Day at St. Agnes

Student committees at Saint Agnes High School are already hard at work planning this year's Mission Day to be held May 28 from 2:30 p.m. to 9:30 p.m. at the school on East River Road.

A carnival atmosphere, complete with skill contests and

food booths will provide hours of fun and excitement while garnering dollars and cents for the missions.

The special objects of this year's mission efforts and of this year's Mission Day are Selma, Alabama and Brazil, where the Sisters of St. Joseph run schools and hospitals.

please...

- BECAUSE some 15 million people are afflicted with leprosy...
- BECAUSE my sacrifice helps support missionaries serving leprosy patients too poor to help themselves...
- BECAUSE sulphone drugs are needed for treatment (only \$5.00 supplies a patient with sulphone for over a year)...
- BECAUSE my brother suffers and needs me...

I ENCLOSE my contribution of \$_____ to help the missionaries serve all who suffer and need my love.
