Hammondsport Hosts Ecumenical School

Hammondsport — Daily Vacation Bible School for the four churches in the village closed recently with a special program at the First Methodist Church. The week-long school was the combined effort of St. Gabriel, St. James Episcopal, First Methodist and First Presbyterian Churches.

About 40 children from pre-school through sixth grade enrolled in the morning hours' school centering around the general theme of "Creation . . . and Me."

Bible study was held each

day at St. Gabriel; music at St. James and crafts at First Presbyterian.

First Methodist housed the kindergarten and first grade class. The children in the grades 2-6 rotated between the other three churches for classes and had a final worship service each day in the four churches.

Refreshments were served to all groups each day by Mrs. Marian Prentiss with ladies of each church furnishing the materials. Also helping were Rev. Clair Statham and the Misses Maggie and Nora Hanley, and the Rev. Richard Buterbaugh.
