

Love, Toil, Hope, Plight, Loneliness, Dreams For Children, Sharing, Brotherhood, God—MAN

A grandmother kisses her grandchild with the love of grandmothers everywhere.

Children's faces show their excitement when "Father Camera" comes to take their pictures. Father Ernesto also performs the more usual functions of a priest (right) by performing Baptisms and marriages for the migrant families who often have difficulty finding a priest. The child below toddles through a bean field like the ones around the country where migrants work.
