

ACT to Have Director, Open New Ithaca Office

By ED and JOAN COFFEY
Last in a series

Ithaca — The expansion of the work of ACT (Area Congregations Together) in Ithaca and Tompkins County has brought administrative changes. Percy Dunn, an Ithacan who is acting as director of the Boy Scouts in Mexico, will return here in October to become ACT executive director. New offices will be opened soon at 210 N. Cayuga.

Financing for new projects is a problem. An appeal is being made to all participating congregations to assist in the new work. Determination of available funds is required by October when the budget for the 1972 program will be decided.

ACT is striving to foster better working relationships among all religious congregations as

they jointly undertake various programs.

One committee is studying the rights of welfare recipients in order to prepare a welfare handbook. The handbook will be designed to explain to various low income groups, such as welfare recipients, the marginally poor, and certain senior citizens and social security recipients their full rights under the law in terms understandable to the layman.

Another committee functioning under the auspices of ACT includes people on welfare as well as representatives of ACT and certain social welfare agencies at Cornell. It is investigating social assistance projects which might be undertaken.

Chairwoman Betty Moore points out that the group is seeking to avoid the criticism leveled at many social action organizations, that is, that their

actions only contribute in token amount to filling the needs of the poor and underprivileged.

The major ACT program currently is an effort to combat drug abuse among the youth. This attempt is being made by providing assistance within the ACT network and by lobbying for the appointment of a drug coordinator by the Tompkins County Board.

Studies made of area schools have indicated that a drug problem of some proportion does exist. Various groups have initiated efforts to combat it. ACT strongly believes more is needed, particularly from the County Board. At a recent meeting of the board, petitions containing about 1,200 signatures gathered by ACT were presented. ACT urged the appointment of a drug coordinator to supervise an energetic program of counselling and rehabilitation, including medical supervision for drug-users and a half-way house.

Persons interested in this or other work being sponsored by ACT can contact their parish representatives or attend ACT's open meetings, which are held every other Tuesday at 7:45 p.m. at St. Paul's Methodist Church, 402 N. Aurora, in Ithaca.

Parish Council Elects First Woman President

Ithaca — The Immaculate Conception Parish Council has elected Jeannine Brashear president. Frank Spadaro is the new vice-president; Miss Madelyn Mahoney, secretary, and Miss Angela Torchia, recording secretary.

Mrs. Brashear, the mother of five, is the first woman president of the Council. Since coming to Ithaca 23 years ago from Massena, she has been an active member of the parish. She initiated the Sunday coffee hour and has helped in the school library, the church choir and various special events. She has been chairman of the council's Public Relations Division and assistant editor of its Newsletter.

Members of the Council for the coming year are Fathers John S. Maloney, David N. Gramke and David Mura; the newly appointed school principal, Sister Mary Raymond; Sister Esther, Nan True, Matthew

WHY PEOPLE BUILD CHURCHES
THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

The answer is easy: they welcome the opportunity to do something needed where it's needed. Sometimes, besides, they build the church in memory of their loved ones, name it for their favorite saint. . . . Where is a new church needed? In hundreds of towns and villages in our 18 country mission world. In Perakam, South India for instance. . . . The parishioners have tried for several years to build a church on their own. They have pooled their meagre financial resources as well as their physical energies. The poverty of the parishioners prevents continuation of the work. You can complete this church all by yourself for as little as \$2,900! You'll be doing something needed, where it's needed, for Christ—and for people who cannot do for themselves. . . . Do something at least, as much as you can (\$100, \$75, \$50, \$25, \$20, \$15, \$10, \$5, \$3, \$1) to help build this church! Your gift of any size will be a Godsend! . . . Have you been looking for something meaningful to do? Help these people build a simple but lasting church. Father Chittilapilly, the pastor of Perakam, will write to thank you on behalf of his people. We will send you a sketch of the proposed church, when we thank you.

Archbishop Mar Gregorios will write personally to say where he'll locate it if you enable him to buy (\$975) two acres of land as a model farm for a parish priest. Raising his own food the priest can teach his parishioners how to increase their crop production. (A hoe costs only \$1.25, a shovel \$2.35.)

For only \$200, in India you can build a decent house for a family that now sleeps on the sidewalks. Simply send your check to us. Cardinal Parecattil will write to thank you also.
