Sisters Try New Life Style

By DICK BAUMBACH

Elmira — A new life style has been adopted by eight Sisters of Mercy who formerly lived at Notre Dame Convent here. The eight Sisters are now residing in a rented home on the west side of Elmira.

The Sisters received permission to set up housekeeping at their new home from Sister M. Judith Heberle, superior general of their order.

The nuns said they wanted to try the new life style for religious orders as an "at-

tempt to deepen interpersonal relations and prayer life and to develop a mutual sharing of community responsibility."

It was explained that much of the Sisters' religious life will be the same as when they were living at the Notre Dame Convent. However, Scripture study and contemporary readings will replace some of the more traditional forms of prayer.

Decisions affecting all eight Sisters will be made collegially rather than by a designated superior.

The Sisters said an example of how their new life style might become the norm for some religious communities in the Catholic Church was explained recently by Father Paul Boyle, CP., president of the Congregation of Major Superiors. Father Boyle said, after a nationwide study had been conducted on the new communal living for the religious, that "The new style of community life is flourishing. It provides the atmosphere for some wonderful experiences. The experience of those in these new groups and their major superiors strongly suggests the conclusion that this style of life will be normative for the future."

The majority of Sisters who teach at Notre Dame High School here will continue to live at the convent.

The eight Sisters said Sister Judith and her Council will continue to study plans for new utilization of some of the convent facilities.

CHILDREN NEED YOU

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

GIVE You are needed . . . to act as a Mom or Dad to an orphan in the Holy Land, Ethiopia, or India.
CHILD The cost is very little. The satisfaction is great.
HOME More than half of the 1,400,000 refugees in the Holy Land are boys and girls. A great many are orphans. Some barely exist by begging for milk, food, clothing. Others are in the Holy Father's care — supported by the generous friends of Near East Missions . . . You can 'adopt' one of these children and guarantee him (or her) three meals a day, a warm bed, love and companionship and preparation to earn his own living. An orphan's support costs only \$10 a month . . . \$120 a year. Send us the first month's support and we will send your 'adopted' child's photo. You can write to him or her. The Sister who cares for your child will write to you, if the child cannot write yet. A close bond of love will develop. Please send the coupon with your offering today.

WHO CAN'T SPARE \$1 ORPHANS BREAD is the club (dues: \$1 a month) that comes to the rescue when orphans need milk, medicines, underwear. Like to join? Send \$1 every month.

WILL POWER It's never too late to remember children in your will. The Holy Father knows where children are the neediest. Simply tell your lawyer our legal title: CATHOLIC-NEAR EAST WELFARE ASSOCIATION.
