John Murray Named 1971 Poster Child

Eight-year-old John Murray Jr., has been named "Poster Child for the Rochester Chapter, Muscular Dystrophy Associations of America. He is the son of Mr. and Mrs. John Murray of 286 North Ave., Hilton.

As local poster child, John symbolizes the plight of millions of Americans, mostly children, who suffer from muscular dystrophy and related diseases which progressively destroy the body's voluntary muscles and render them useless.

A telethon, the associations' 24-hour television special, will be seen in the Rochester area over WHEC-TV, Channel 10, beginning Sunday night, Sept. 5, at 10 p.m. and running through 6:30 p.m. on Monday, Sept. 6. Besides representing MDAA on radio, TV, and at special occasions such as the Labor Luncheon scheduled later this month, Johnny will be the featured guest at numerous chapter events throughout the year.

His illness was diagnosed in 1968 when he was five. Although confined mostly to a wheelchair, he is a bright third grader who attends school No. 29 in Rochester. He is also considered "cheerful" and "funny" and is "quite helpful around the house," his mother says. He enjoys matchbox cars, builds model cars, make "kooky cakes" and "creepy crawlers" and, like most kids, likes to swim which

he did again recently at the Jerry Lewis MDAA summer camp and at Rotary Sunshine Camp. He has a brother, Paul, 5.
