

See how little it costs for a Decorative wall full of functional Storage

See these unusual values!

These are sturdy cases . . . all full 78" high. Adjustable shelves offer optional arrangements for the most effective display of books, records and accessories. Levelors in the deep base provide solid "footing" on any floor. These handsomely carved book cases are finished in a mellow tone that blends easily with any decor. Don't miss Lauer's special savings on all of these units!
