Most Reverend Joseph L. Hogan, S.T.D., D.D.
The Diocese of Rochester
Rochester, New York

Your Excellency:

We have examined the balance sheet of The Diocese of Rochester at June 30, 1971 and the related statement of revenues, expenditures, and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and, accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and the related statement of revenues, expenditures and changes in fund balances present fairly the financial position of The Diocese of Rochester as of June 30, 1971, and the results of operations for the year then ended, prepared in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year.
