A HOME OF THEIR OWN

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

We shudder when we see them on TV, the families in India who have never lived indoors. They live in the streets, painfully, sleep huddled together on matting on the sidewalks. The pennies they earn buy scraps of food and rags. . . . In Calcutta alone they number 100,000. They are not drunkards or tramps, these families. All they need is a chance. . . . "For only \$200 (for materials), we can give a family a home," states Joseph Cardinal Parecattil from Ernakulam. "We'll provide the supervision, our men will do the work free-of-charge, and the family will own it outright once they prove they can take care of it themselves. We'll start the work immediately. Can you imagine the happiness a 'home of their own' will bring?" . . . Here's your chance to thank God for your family, your home. Cardinal Parecattil will write to say thanks.

- "WHAT ELSE CAN I DO ABOUT INDIA?"**
- The parishioners gather the stones and do the construction free-of-charge, under their parish priest's direction. That's how in India a church, school, rectory and convent can be built for only \$10,000. . . . Name the parish for your favorite saint, we'll erect a permanent plaque asking prayers for your loved ones, if you build a parish as your once-in-a lifetime mission gift.
 - Archbishop Mar Gregorios will write personally to say where he'll locate it if you enable him to buy (\$975) two acres of land as a model farm for a parish priest. Raising his own food, the priest can teach his parishioners how to increase their crop production. (A hoe costs only \$1.25, a shovel \$2.35.)
 - In the hands of a thrifty native Sister your gift in any amount (\$1,000, \$750, \$500, \$250, \$100, \$75, \$50, \$25, \$15, \$10, \$5, \$2) will fill empty stomachs with milk, rice, fish and vegetables. . . . If you feel nobody needs you, help feed hungry boys and girls!
