

Thrice Blessed

Godparents to three generations are Mr. and Mrs. Joseph Mamooone of Honeoye Falls. Mrs. Mamooone holds the latest of the line, Shannon MacDonald O'Toole, after the baptism in St. Paul of the Cross Church. Standing behind them are Betty Rotunda, the infant's maternal grandmother; Janet O'Toole, the mother, and Father Michael Hogan, pastor of the church where all three christenings have taken place.

MDAA's local chapter serves patients living in Monroe, Yates, Livingston, Ontario, Wayne, Orleans, Wyoming, Genesee and Seneca counties.

The organization's headquarters are at 83 Clinton Ave. North. Those interested in seeking voluntary positions with MDAA should write to that address or phone Mrs. Delehanty at (716) 232-3181.

CYO Slates Swim-a-Thon For Hall of Fame

Several hundred CYO children, their coaches, teachers, physical education health addicts and many civic minded citizens of all ages will swim for fun, health, and a worthwhile cause on Sunday, Oct. 31 at the Catholic Youth Organization, 50 Chestnut St.

The first annual swim-a-thon will raise money for swim and sweat suits and to support the swimmers' own. International Hall of Fame in Fort Lauderdale, Fla. and the Foreign Travel Fund which will send American champion swimmers to the 1972 World Olympics in Germany.

By National Swim-a-thon rules the swimmer is limited to 200 lengths or two hours in the water, whichever comes first, as the maximum to 25 yards minimum. Sponsors pay anywhere

from 5 cents to \$50 per 25-yard pool length that the participant can swim.

CYO swimmers will seek pledges in a door-to-door campaign. After the swim on Oct. 31 the swimmer will be back to collect the pledge.

If you are interested in sponsoring a CYO swimmer call CYO, 454-2030, or sign up at 50 Chestnut St. Robert Thomson of 20 Entress Drive, Gates, a remedial reading specialist for the City School District, has been appointed chairman. Eleven other parent-couples are planning activities according to Bill West, CYO swim coach.

The International Swimming Hall of Fame is supported entirely through public subscription. It honors great swimmers of the past and promotes swimming and water safety.
