St. Michael's School Holds Its 'Week'

Penn Yan — The store windows of Penn Yan are display cases this week for the work of St. Michael's school children.

They call attention to an open house and other activities scheduled for St. Michael's School Week.

The open house will start at 7 tonight, Feb. 16. The public is invited to tour the school, visit classrooms, talk to faculty members and learn what is happening that is new and interesting.

Parents of children approaching kindergarten age are invited to the kindergarten room at 7:30 p.m. for an informational meeting on the kindergarten program. Featured speakers will be Mrs. Anthony Pizzenti, the kindergarten teacher, and Sister Judith, principal of St. Michael's.

At 8:15 tonight, the Home-School Association will conduct

a meeting in the school. All attending the Open House and kindergarten meetings are invited to adjourn their other activities long enough to participate. The meeting will feature a movie and lecture by Dr. Kenneth Berkes on a topic of concern to all, the disease of cancer. A question and answer period will follow.

Afterward, visitors are welcome to complete their inspection of the school, then stop in at St. Michael's Convent for refreshments.

On Thursday, Feb. 17, St. Michael's will hold an activity afternoon beginning at 12:45. The public is invited to return to the school and observe the children as they take part in arts, crafts, science projects and other practical and creative educational activities. Primary students will be making ring toss and baseball games while youngsters in the intermediate grades will be making candles

and performing science experiments. The children in all grades will then form one group to enjoy painting, cooking, and taping stories.
