Seagram's 7 Crown. It's America's whiskey.

And when America goes golfing, chances are 7 Crown is waiting at the nineteenth hole.

Because in America more people drink and enjoy 7 Crown than the leading Scotch and Canadian combined. And they do it for a very good reason: the taste. It's uniquely and consistently smooth.

Whatever you do this summer, take 7 Crown along, too. It's America's whiskey. And it should be yours.

Taste the best of America. Say Seagram's and Be Sure.
