WHY PEOPLE BUILD CHURCHES
THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

The answer is easy: they welcome the opportunity to do something needed where it's needed. Sometimes, besides, they build the church in memory of their loved ones, name it for their favorite saint. . . . Where is a new church needed? In hundreds of towns and villages in our 18 country mission world. In Perakam, South India for instance. . . . The parishioners have tried for several years to build a church on their own. They have pooled their meagre financial resources as well as their physical energies. The poverty of the parishioners prevents continuation of the work. You can complete this church all by yourself for as little as \$2,900! You'll be doing something needed, where it's needed, for Christ—and for people who cannot do for themselves. . . . Do something at least, as much as you can (\$100, \$75, \$50, \$25, \$20, \$15, \$10, \$5, \$3, \$1) to help build this church! Your gift of any size will be a Godsend! . . . Have you been looking for something meaningful to do? Help these people build a simple but lasting church. Father Chittilapilly, the pastor of Perakam, will write to thank you on behalf of his people. We will send you a sketch of the proposed church, when we thank you.

HOW YOU CAN HELP INDIA'S POOR TO HELP THEMSELVES

Archbishop Mar Gregorios will write personally to say where he'll locate it if you enable him to buy (\$975) two acres of land as a model farm for a parish priest. Raising his own food the priest can teach his parishioners how to increase their crop production. (A hoe costs only \$1.25, a shovel \$2.35.)

For only \$200 in India you can build a decent house for a family that now sleeps on the sidewalks. Simply send your check to us. Cardinal Parecattil will write to thank you also.
