

Left: Father Weider sits outside Kennedy House with boys and staff for a group shot. Right: Joe Weider picks up Ed after the second day of his summer job on a dairy farm near where they live in rural Perkinsville.

Above: Father Weider sits in his study surrounded by pictures of the Kennedys, Bishop Fulton J. Sheen, Jesus Christ, books and an American flag. Below: the dinner table is more crowded than in the usual rectory.

## Kennedy House: a place to work and play, to grow
