

## Knights Start Fund Drive

By JOY CHALONE

Ithaca Council 277, Knights of Columbus have started their drive for funds for retarded and handicapped children.

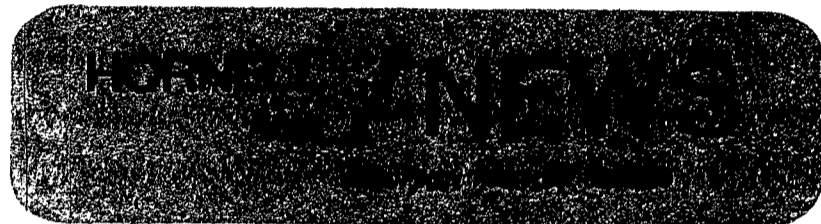

Each year this is done under the auspices of the New York State Charitable and Benevolent Program, the state committee of the K of C, set up specifically

for this purpose. Above, a check for \$500, donated by Bishop Joseph L. Hogan, was given to the Ithaca Speech Clinic, a summer speech camp for handicapped children. This sum represents a part of the \$12,500 given to Bishop Hogan and the other eight bishops in New York State from last year's successful statewide drive for funds.

In the picture are Dr. Walter Carlin, Professor of Speech Pathology at Ithaca College and assistant Director of the clinic for the past 23 years; Ernest Jackson, district C and B chairman; Edward Badger, director of the speech camp; Father Albert V. Ryan, chaplain, and pastor at St. James, Trumansburg; and Donald L. Bennett, grand knight.

Monies collected are split evenly, half being used on a local basis and the other half sent to the state C and B for statewide distribution.

The drive for this year will be on until Nov. 11.
